				10. Truncation
				11. Other comments
10. truncated by \oplus (2 modern stoneware pipe)				
11. this cut truncates an other pit located to its western side.				
				Max Level: 10.38 m OD
				Min Level: 9.14 m OD

(Base of cut)

Interpretation:	Internal	External	Structural
<p>Round Pit reused as a cesspit as some of the material found inside was less.</p> <p>This pit was found during the excavation of 2506 but there is evidence that the the cut was cut from at least at least the 2 layers above (3503 and possibly 3388). The top of the cut was also truncated by 2 then modern drains (\oplus).</p> <p>Plans attached and this is correct.</p>
